

120kW Foldable Container Lighting for Urban Lighting

Overview

What types of shipping container lights are available?

At QuickFit Container Accessories, we provide high-quality shipping container lights, including energy-efficient magnetic shipping container lights, complete shipping container lighting kits, and sustainable shipping container solar lighting solutions. No matter your container setup, we have the ideal lighting solution to suit your needs.

What are shipping container lighting kits?

For a complete and easy installation, our shipping container lighting kits include everything needed to illuminate your container. These kits are designed for plug-and-play installation and provide bright, long-lasting light. Quick and easy installation with no drilling required.

Are magnetic shipping container lights a good solution?

Yes, magnetic shipping container lights are an excellent solution for temporary or adjustable lighting, offering easy installation and repositioning. At QuickFit Container Accessories, we provide premium shipping container lighting solutions to enhance security, visibility, and efficiency.

What is a shipping container solar lighting kit 3?

Our Shipping Container Solar Lighting Kit 3 provides lighting in oversized shipping containers and storage areas with 2 days of battery technology for cloudy, rain, or snow days with 8 hours per day of run time.
