

# 120kW Oman solar container for campsite

## Overview

---

Who is Oman solar systems?

Systems has been delivered to Telecom, Oil & Gas, Ministry and Defense for different applications. You are guaranteed to get the energy system that's been chosen and installed by the real experts. Part of Al Bahja Group, established in 1947. Mainly in manufacturing and allied activities. OMAN SOLAR SYSTEMS CO. LLC OMAN SOLAR SYSTEMS CO. LLC.

What is a solarcontainer?

The Solarcontainer is a photovoltaic power plant that was specially developed as a mobile power generator with collapsible PV modules as a mobile solar system, a grid-independent solution represents. Solar panels lay flat on the ground. This position ensures maximum energy harvest Panels lays flat on the ground.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Where is solar energy available?

Life on our planet would be unthinkable without that large power station known as the sun. Solar energy is available almost anywhere. Where there is sunlight there is Electricity. What options do I have to buy the solar system?

This section is dedicated for prospective solar electrification system customer.
