

# 500kW Thai photovoltaic energy storage container for highways

## Overview

---

What is A 500KW Megatron battery storage system?

500kW MEGATRON - 20 foot Containerized Commercial Battery Energy Storage System designed to for On-Grid and Renewable Energy Projects.

What is the best energy storage system solution?

With its robust features and exceptional scalability, the BESS Container 500kW 2MWh 40FT Energy Storage System Solution is the ideal choice for secure, efficient, and large-scale energy management. Email us with any questions or inquiries or use our contact data. We would be happy to answer your questions.

What voltages are available for a battery energy storage system?

All system systems are offered with either 400VAC or 480VAC 3 phase interconnect voltages. Each commercial and industrial battery energy storage system includes Lithium Iron Phosphate (LiFePO<sub>4</sub>) battery packs connected in high voltage DC configurations.
