

Overview

Where can I get an uninterruptible power supply (UPS)?

If you require an uninterruptible power supply (UPS batteries) in Toronto, Winnipeg, Brandon, Regina, or Edmonton, Prairie Battery is pleased to be of service. Most computers have a built-in APC/UPS unit so you won't lose your data should the power suddenly quit.

Are accratech ups reliable?

Accratech per request submitted a quote for a Linear/1 3K UPS for this application and was hardwired into two surgery suites instead of just one suite, thus solving the power problems plaguing our clinic. The Accratech UPS units are very robust and reliable even under continuous mobile use.

Should I buy a linear/1 ups?

Upon finding problems with the incoming power it was suggested to the clinic that they purchase the Linear/1 UPS which was recommend due to the fact that the Linear/1 is certified for medical applications, and is a power conditioner as well as a backup power source very dependable and robust.

What is a medical-grade ups?

With its advanced features and built-in battery backup capability, a medical-grade UPS ensures that critical medical devices, like life-saving monitors and surgical equipment, remain operational during power disruptions. We are committed to providing you with excellent service, which includes proactive solutions for your needs.
