Do portable power stations make camping better?

A good portable power station makes camping better. These devices power lights, phones, and small appliances when you're outdoors. We spent three months testing power stations to find the best portable power stations for camping. We tested 30 portable power stations over 12 camping trips.

Are portable power stations expensive?

Updated June 2025: We've added a Bluetti model, honorable mentions from EcoFlow and Acer, and a testing and FAQ section. Portable power stations can be very expensive, but discounts, sales, and deals are common. If you can afford to wait, you can likely get your chosen power station for less than the listed MSRP. Figure out how much power you need.
