

Australian energy storage container custom made factory direct sales

Overview

What is a battery energy storage container (BESC)?

We've partnered with specialist engineers to integrate advanced features such as explosive pressure vents, pressure release valves and a negative air unit. Storemasta's Battery Energy Storage Containers (BESC) offer an advanced, secure solution for housing your Battery Energy Storage System (BESS).

Who is apex Energy Australia?

At Apex Energy Australia, we offer state-of-the-art Battery Energy Storage Systems (BESS) tailored to meet diverse energy needs.

Who is container prod AU?

Container Prod AU, a family-owned business with over a decade of experience, is one of the leading suppliers of new and used shipping containers for sale in Australia. Copyright © 2025 Container Prod AU. All Rights Reserved.

Why should you choose a container energy storage system?

Housed in durable shipping containers, our systems are engineered to meet the growing demand for renewable integration, backup power, and off-grid energy supply. Why Choose a Container Energy Storage System?

All-in-One Power Solution – Integrated battery storage, inverter systems, and control units in one secure container.
