

Austria lightweight solar panel manufacturer

Overview

Who makes Energetica photovoltaic modules?

Energetica: High-performance photovoltaics. Made in Austria Energetica Photovoltaic Industries develops, tests and produces high-performance photovoltaic modules in Austria that are among the most technically advanced products in the industry worldwide.

Who makes photovoltaic modules?

New video: Impressions from photovoltaic module production at Energetica Industries. This project is co-financed by the European Regional Development Fund. Energetica Photovoltaic Industries ist ein österreichischer Solarmodulhersteller. Das Unternehmen fertigt Hochleistungsmodule in Europa.

Where are Das energy photovoltaic modules made?

Since 2016, the high-quality DAS Energy photovoltaic modules have been manufactured at the site in Wiener Neustadt, Lower Austria and are distributed worldwide. In the process, the technology is constantly being further developed in the research and development center. The production capacity is currently 55 megawatts per year.

Who is Energetica photovoltaic industries?

Energetica Photovoltaic Industries develops, tests and produces high-performance photovoltaic modules in Austria that are among the most technically advanced products in the industry worldwide. Our premium products are characterised by the highest performance, long service life and technological edge.

Austria lightweight solar panel manufacturer

Company

Headquartered in Wiener Neustadt, DAS Energy Ltd. is a research and development center and a production facility for photovoltaic modules with ...
