

Baku solar container communication station wind and solar complementary construction project

Overview

Will Azerbaijan build a solar power plant?

BAKU. April 22 (Interfax) - Azerbaijan and China have reached agreement on the construction of new solar and wind power plants in Azerbaijan and a battery energy storage system, the Azertac state agency reports.

Will Azerbaijan develop an offshore wind energy project?

The Azerbaijani Energy Ministry and China Energy Overseas Investment Co. Ltd. signed an agreement on the assessment, development and implementation of an offshore wind energy project in Azerbaijan.

How will Chinese solar projects work in Azerbaijan?

They will be implemented by Chinese companies working in collaboration with Azerbaijan-based developers. Azerbaijan's Ministry of Energy has signed three investment agreements for three separate solar projects involving cooperation from Chinese companies.

What's going on with Azerbaijan's new floating solar power plant?

The third announced project is a 100 MW floating solar power plant with a 30 MWh battery storage system to be located on Lake Boyukshor, close to Azerbaijan's capital Baku. The agreement is in place between the ministry, Socar Green and China Datang Overseas Investment Co. Ltd, which is set to be the main investor.
