

Bangkok solar cell modules

Overview

Who is a solar cell manufacturer in Thailand?

We are domestic One Stop Service with more than 35 years of experiences. We are the manufacturers of Solar Cell and Solar Module in Thailand using German technology (Automatic production line) and certified by International Standards; UL (USA), MCS (England), JIS (Japan) and TIS (Thailand).

Where are photovoltaic modules made in Thailand?

The company's massive 72MW photovoltaic module production facility is located in Bang Pa-in, Ayutthaya. They offer an extensive product range, which includes solar cells, modules, and complete photovoltaic power generation systems. The company's mission is to contribute to Thailand's energy sustainability by focusing on renewable energy.

Who is Bangkok solar power?

1. Bangkok Solar Power Co.Ltd Founded in 2007 as a subsidiary of Bangkok Cable Group, BSP has been developing its activities for providing the Engineering, Procurement, and Construction (EPC) solutions in relation to Photovoltaic (PV) Power Systems for domestic and international markets.

Who makes Solartron solar cells & solar modules?

With more than 30 years of experience under their belt, Solartron manufactures solar cells and solar modules, tapping on cutting-edge German technology. Their products are also certified by international standards: UL (USA), MCS (England), JIS (Japan) and TIS (Thailand).
