

Bulk procurement of 600kW folding containers for subway stations

Overview

Can collapsible bulk containers be stacked upright or collapsed?

All of our collapsible bulk containers can be stacked upright or collapsed — saving you valuable warehouse space, whether the bins are in use or in storage. Our collapsible bulk containers are available in various sizes and offer capacity ranges for medium-duty, heavy-duty, or extra-heavy-duty applications.

What types of bulk containers does Orbis offer?

ORBIS offers bulk containers and collapsible bulk containers for every need. ORBIS BulkPak® brand containers protect your product during picking, assembly, processing, storage, fixed wall and distribution applications. ORBIS is a top provider of light, medium & heavy-duty bulk containers. Available in collapsible, straight-wall & nestable styles.

What is a containerized mobile substation?

Containerized mobile substations are sheltered and address applications in challenging environmental conditions including areas with high pollution, high humidity, extreme temperatures or sand storms. Containers are easy to transport and fast to install, by reducing foundation works as well as installation and commissioning effort on site.

What is a 90 x 48 extended length bulk container?

Overall, 90" x 48" extended length bulk containers are a versatile and essential tool for businesses that require reliable and cost-effective storage and transportation solutions. Applications: Automotive, appliance, and transportation equipment.
