

Canberra Folding Container 100kW

Overview

What storage containers do you offer in Canberra?

At our Canberra depot, we provide affordable and practical options for 20ft and 40ft storage containers. Ensuring we meet our customers requirements and standards, whether that includes temporary onsite storage, or a reliable secure shipping container. At The Shipping Container Company we got the lot!.

What is a mobile solar container?

The mobile solar container range redefines on-site power by harnessing the sun's energy in an efficient and reliable way to maximize the solar yield. Hybrid performance with a generator or an Energy Storage System makes the ZSC mobile solar containers as part of a microgrid solution.

How much does a shipping container cost in Canberra?

Shipping container prices vary substantially in Canberra due to the lack of universal solutions and range available to customers. However, at The Shipping Container Company we offer the highest quality and at a cost effective price! For example, if a customer were to purchase a used shipping container with us, that price will start at \$2,500.

Are ZSC mobile solar containers a microgrid solution?

Hybrid performance with a generator or an Energy Storage System makes the ZSC mobile solar containers as part of a microgrid solution. With paralleling capabilities with other energy sources, these solar containers become a scalable solution. Designed for Plug and play operations, the ZSC range of mobile solar power is easy to setup and commission.
