Which company makes the best solar inverter?

According to IHS Markit, Growatt is one of the world's top 10 inverter brands and is the world's No.1 residential inverter supplier. It also ranks among the world's top 5 suppliers of string inverters for C&I solar projects.

What is a small power inverter?

Small Inverters. Our Small Inverter category includes inverters generally ranging from 125 watts to 2000 watts in 12 and 24-volt capacities. These small power inverters are great for smaller applications like boats, RVs, or other relatively smaller systems. In addition to the size, choosing an inverter with the right wave form is also important.
