

Eastern Europe 18W Solar Street Light

Overview

Who are the top solar street lights manufacturers in Europe?

The following are the top solar street light manufacturers in Europe. Philips (now Signify) is the world's leading manufacturer of solar-powered LED street lights. It has been serving over 70 countries throughout the world for many years. Based in the Netherlands, it is an international company.

Who makes the best solar street light?

Some of them like Philips, Dragon Breath Solar and Bisol are the top three leading solar street light manufacturers. Among Europe's top solar street light manufacturers, Germany, France, Spain, and the United Kingdom have the most revenue. Despite high manufacturing demands in Europe, there is not enough local production to meet them.

Where do solar street lights come from?

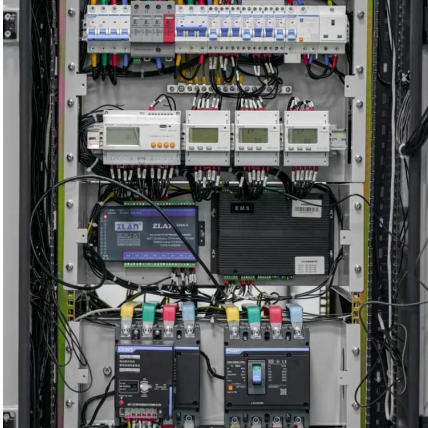

The European market is second only to Asia-Pacific and North America for solar street lights. Solar street lights imported from other countries can fill a void caused by a high demand that cannot be filled.

Who makes solar street lights in Bulgaria?

Over 11 years of solar street lighting system manufacturing experience have been gained by VNS Bulgaria Ltd. As one of Bulgaria's top suppliers of solar street lights, the company has a broad product portfolio. Furthermore, they manufacture solar lamps and garden lighting systems.
