## Overview

---

Where does the city of Helsinki publish contract notices?

The City of Helsinki publishes its contract notices in the national public procurement service Hilma. Hilma allows public sector buyers to put their procurements out to tender and advertise their future procurements, ongoing tender processes and the results of completed tender processes. To use this feature, you must accept cookies from the site.

Where can I find public and government tenders in Finland?

FinlandTenders offers the most up-to-date and comprehensive listings of public and government and private tenders across Finland. We gather tender information daily from reliable sources such as official procurement portals, government websites, and leading newspapers, ensuring you never miss an opportunity.

What is a tender database?

This is a comprehensive database of all tenders and contracts issued by government departments, local authorities and other public entities in Finland. The database is updated on a daily basis to ensure that all information is up-to-date.
