

High quality lfp powerstation in Slovakia

Overview

Will Gib energyx license gotion's world-class LFP technology to aract?

As part of the agreement GIB EnergyX will license Gotion's world class LFP technology for lithium ion cells to ARACT. This comprehensive agreement enables Amara Raja to manufacture world class LFP cells in both cylindrical and prismatic form factors.

Does Amara Raja manufacture LFP cells?

The agreement allows Amara Raja to manufacture LFP cells in both cylindrical and prismatic form factors. The licensing includes access to cell technology IP, support in establishing Gigafactory facilities, integration with Gotion's supply chain for battery materials, and customer technical support.

Did Slovakia sign a joint venture agreement with the government?

The government and joint venture have now signed an Investment Agreement. The agreement does not come as a surprise. In November 2023, the companies signed a letter of intent to this effect with the Slovakian government regarding the factory. The partners had already presented the key points of the joint factory in September.
