

High quality power switchgear in Chicago

Overview

Which switchgear manufacturer is the best?

The North American Switchgear is a leading switchgear manufacturer in the USA that is quite famous for producing and repairing substation electrical equipment. They specialize in producing switchgear, circuit breakers, and other replacement parts.

What is Switchgear Industries?

Switchgear Industries is a dependable and famous manufacturer and supplier of various electrical control panels such as Plastic Molding Machine Control Panels, Flameproof Control Panels, APFC Panels, Power Distribution Panels, Marshalling Boxes, and RTCC Panels.

Who owns switchboard apparatus?

Until 1992, it was owned and operated by three generations of the founding Berthold family. The ownership was then changed to Switchboard Apparatus Inc - built upon the rich tradition of the company's past.
