

# How much is the price of a mobile base station container

## Overview

---

The average rental prices for Mobile Mini containers range from \$175 to \$300 per month, depending on the size and features of the container. How much does a modified container cost?

Modified containers with office space features cost more, with monthly rates between \$125 and \$500. The company bases its pricing on unit size and specific features that let customers pick the best option for their needs. Contract length plays a big role in final pricing.

How much does a portable storage container cost?

Portable storage containers cost between \$180.00 to \$300.00 monthly. They eliminate many extra expenses you'd find with traditional storage options. United Rentals tops the list with a pricing satisfaction score of 3.7/5. Mobile Mini follows at 3.2/5, while U-Haul (1.6/5), Cubesmart (1.5/5), and PODS (1.5/5) trail behind.

What is the difference between a unit and a Mobile Mini container?

UNITS containers excel by supporting up to 260% more weight than Mobile Mini containers. PODS containers can handle up to 10,000 pounds of storage capacity. These notable differences affect mobile mini pricing and determine what customers pay for their storage solutions. The right mobile mini container selection requires more than rate comparison.

How much does a 40ft container cost?

A 40ft standard container from China to the US West Coast costs \$3,500-\$6,000. Shipping to the East Coast ranges from \$4,500-\$7,500. These rates include base ocean freight and surcharges but not destination charges, customs clearance, or inland transportation. High-demand periods can push rates 30%-50% higher.
