

Huawei Budapest Mobile Energy Storage Power Supply

Overview

Where is the largest battery energy storage system in Hungary?

Image: MET Group. IPP MET Group has put a 40M/80MWh BESS in Hungary into commercial operation, deployed using technology from Huawei. The 2-hour battery energy storage system (BESS) is the largest in Hungary, Switzerland-headquartered MET Group said, deployed at its Dunamenti thermal power plant in Százhalombatta, near Budapest.

Will Hungary's new battery energy storage system help Green the grid?

The new facility supports a growing push to green Hungary's power grid. Hungary has just switched on its largest battery energy storage system (BESS) to date, stepping up its role in Central Europe's growing grid-scale energy transition.

Which country is preparing to deploy 200 mw/400 MWh of battery storage?

Meanwhile, Serbia—Hungary's southern neighbour—is preparing to deploy 200 MW/400 MWh of battery storage capacity. The planned systems are expected to be collocated with utility-scale solar farms, helping the country manage intermittency and improve energy resilience. The Dunamenti BESS is part of MET Group's broader play across Europe.

Is Hungary stocking up on battery backup?

Hungary isn't alone in stocking up on battery backup as it charts its green energy path. In neighbouring Bulgaria, a massive 124 MW/496 MWh battery energy storage system went live in Lovech earlier this year.

Huawei Budapest Mobile Energy Storage Power Supply

[Hungary powers up largest battery storage ...](#)

Jun 20, 2025 · Hungary switches on its largest battery energy storage system at Dunamenti gas power plant to support grid flexibility near Budapest.

[The Ultimate Guide to Battery Energy Storage ...](#)

Apr 6, 2024 · What Is BESS? BESS represents a cutting-edge technology that enables the storage of electrical energy, typically harvested from ...

[MET flips the switch on Hungary's biggest ...](#)

Jun 19, 2025 · Situated at the Dunamenti Power Station in Százhalombatta, the new battery energy storage system builds on MET Group's earlier 4 ...

MET Group Inaugurates Hungary's Largest Battery Energy Storage ...

Jun 19, 2025 · MET Group inaugurated a battery electricity storage plant with total nominal power output of 40 MW and storage capacity of 80 MWh (2-hour cycle) today, the company tells the ...
