

Inverter Manufacturer Quality Comparison

Overview

Who makes the best solar string inverter?

We review the best grid-connect solar inverters from the worlds leading manufacturers Fronius, SMA, SolarEdge, Fimer, Sungrow, Huawei, Goodwe, Solis and many more to decide who offers the highest quality and most reliable solar string inverters for residential and commercial solar.

What is a solar inverter?

The solar inverter is one of the most important parts of a solar system and is often overlooked by those looking to buy solar energy. This review highlights the best inverters from the world's leading manufacturers to ensure your solar system operates trouble-free for many years.

Who makes Fimer solar inverters?

FIMER is a well-established Italian-based inverter manufacturer that took over ABB's solar division in early 2020. The company is in the process of revamping many of the ABB-style inverters and is expanding its range of high-quality string solar inverters for residential, commercial and utility-scale applications.

Which companies are leading the solar inverter market?

Some companies lead the solar inverter sector: AISWEI grew a lot, with shipments up by 28%. Huawei has 24.8% of the market and makes strong string inverters. Sungrow has over 20% of the energy storage inverter market. It has led the world for ten years. Ginlong's shipments in Europe grew by 12%. It is also strong in Southeast Asia.
