

Malaysia Penang solar Transparent Glass Manufacturer

Overview

Where is TCO glass made in Malaysia?

NSG Group has announced the warm up of a newly converted TCO (transparent conductive oxide) facility in Malaysia. In this investment, an existing float line at the Johor Bahru factory of Malaysian Sheet Glass SDN BHD, a member of NSG Group, has been converted to begin producing TCO glass from December 2023.

Will Malaysian Sheet Glass float line be converted to TCO glass?

An existing float line at the Johor Bahru factory of Malaysian Sheet Glass, a member of NSG Group, has been converted to begin producing TCO glass from December 2023. The investment is to support the expansion strategy of First Solar, an American manufacturer of solar panels, which has a long-standing strategic partnership with NSG Group.
