

Mobile AC power box

Overview

What is an AC portable power station?

The AC portable power station is a versatile, convenient, 88.8Wh large capacity portable power station with AC outlet which combines 110V AC inverter, DC 12V and 2x USB ports, designed to run lights, phones, laptops and small appliances in an off-grid or power outage situation. Great for emergency, camping, home use, trip, travel, summer holiday.

What is a portable power station?

With expandable capacity (1kWh-53.8kWh) and high-output AC (1800W-1,2000W), these powerful portable power stations ensure uninterrupted electricity for essentials—from small devices like phones, Wi-Fi routers, and PCs, to heavy-duty appliances like central ACs, microwaves, and water pumps.

What accessories do you need for a portable power station?

One of the most common accessories is going to be a cord to connect to similar power stations in series, often times doubling your power output. Some portable power stations have a light bar built into the housing, which is useful for seeing at night. Anker's Solix C300 also includes a pop-up camping light.

Can a portable power station charge a phone?

Some can only charge phones, and others can power your entire house. Check the output wattage and battery capacity to see what a portable power station is capable of. The Westinghouse iGen160s is a basic little power station capable of keeping your electronics charged during a brief power outage or camping trip.
