What is solar roof tile?

Solar Roof Tile designed by ANU is for single groove designed Mangalore Tiles and can be used for all types of Solar Power Applications. We have also kept the rates at par with conventional panel along with mounting structure so that there is not much of an incremental cost to switch over to Solar Roof Tile.

Are solar roof tiles eco-friendly?

Eco-conscious home and building owners might find Solar Roof tile especially attractive when they are re-laying the tiles anyway since the solar roof tiles also double as functional, protective and weatherproof roof tile in their own right. Also it allows for light to pass through it to give a very vibrant feel inside the home.
