How much does a solar light cost?

Check out our top picks below, including pathway lights, spotlights, and more, with prices starting at \$16. We've deemed these outdoor spotlights, which are marked down to \$20, the best solar lights with motion sensors. They come with features galore, including motion detection and three adjustable lighting modes.

Does outdoor solar lighting work?

According to the U.S. Department of Energy, outdoor solar lighting works quite well in most areas of the U.S., as it doesn't require an excessive amount of sunlight to charge up and work. This means that even on cloudy days or during winter, you'll still be able to light your way.
