GST Select options This product has multiple variants.

Do you offer a solar inverter shade cover?

With this in mind, we offer both stock solar inverter covers and a unique cover customisation service, so you can design a solar inverter shade cover that matches your home design and simultaneously maintains the warranty of your inverter.

Is Bunnings solar inverter shade cover suitable for all solar models?

While the solar inverter cover Bunnings offers might be a suitable option for some, it may not be compatible with all solar inverter models. A well-designed solar inverter shade cover will cater to a wide range of solar inverter types, making it the more versatile and reliable choice for your solar power system. Professional Installation:.

How much does a solar inverter cover cost?

For solar inverter covers and our universal battery cover, the postage cost is a flat \$40 across Australia for one and \$75 for two. For Tesla Powerwall covers, the postage cost is \$75 for one cover and \$115 for two covers. How can I access my inverter or battery once the cover is installed?

Our inverter covers have a front panel that can be opened.
