

Swiss Zurich solar container battery Project

Overview

Where is the largest battery storage system in Switzerland?

In Kappel, in the canton of Solothurn, one of the largest battery storage systems in Switzerland is currently under construction, with a total capacity of 65 megawatt-hours. The successful delivery of all system components marks a key milestone on the path to commissioning. Primeo Energie will use our storage system to provide energy flexibility.

Does Switzerland's new large-scale battery support the Energy Strategy 2050?

The new large-scale battery for Switzerland in Kappel supports the Energy Strategy 2050 and supports renewable energies.

How did intilion transport containers from China to Switzerland?

INTILION managed the entire transport chain from China to Switzerland – including shipping, customs clearance, and interim storage. Instead of relying on a complex road transport solution, INTILION chose an alternative approach: all 16 containers were transported together by inland vessel along the Rhine, from Rotterdam to Birsfelden.

Will large-scale battery storage help stabilize the power grid in 2050?

The country is pursuing the goal of transitioning its energy supply entirely to renewable sources by 2050. “Large-scale battery storage systems will play an increasingly important role in stabilizing the power grid in the future.” — Frederik Süllwald, Head of Global Sales & Key Account Management, INTILION

Swiss Zurich solar container battery Project

[Large-scale battery for Switzerland: 65 ...](#)

The success of the project was not only determined by the delivery of the battery containers, but also by the overall logistical coordination. ...

[Solar & Storage Live Zurich 2026 , Zurich](#)

Solar & Storage Live Zurich 2026 bringt über 100 führende Aussteller aus der Schweiz und dem Ausland zusammen. Präsentiert werden neueste Produkte, innovative Lösungen und frische ...

[Libattion opens Europe's largest battery ...](#)

Apr 8, 2025 · Libattion, a fast-growing company for large-scale stationary storage systems made from used and overproduced electric vehicle ...

Switzerland Zurich Energy Storage Project 2024 Powering a ...

This project focuses on large-scale battery storage systems designed to balance energy supply from solar and wind power, addressing the intermittent nature of renewables. Key

Features of ...

Powering Zurich Homes: Solar Energy Storage Solutions for ...

With rising electricity costs and growing environmental awareness, homeowners in Zurich are increasingly turning to home photovoltaic energy storage systems. This guide explores how ...

GSO's new energy container storage lands in the European Alps

GSO's new energy container storage lands in the European Alps 29 Apr 2025 Recently announced that its first high-voltage stand-alone energy storage plant project in Switzerland ...

Large-scale battery for Switzerland: 65 megawatt hours of ...

The success of the project was not only determined by the delivery of the battery containers, but also by the overall logistical coordination. INTILION managed the entire transport chain from ...

Intilion delivers 65-MWh battery storage system components to Switzerland

Sep 3, 2025 · Intilion delivers components for a 65-MWh battery storage system in Switzerland for Primeo Energie, with commissioning set to boost grid flexibility. German energy storage ...

[New Swiss battery to increase efficiency of ...](#)

Feb 7, 2025 · After a presentation of Unbound Potential, Amazon decided to try out the technology. Another project on the way to commercialization is ...

Energy Storage Power Station in Zurich Powering Switzerland ...

SunContainer Innovations - As Zurich positions itself as a global sustainability leader, its new energy storage power station has become the talk of the town. But why should you care? ...

New Swiss battery to increase efficiency of renewable energy

Feb 7, 2025 · After a presentation of Unbound Potential, Amazon decided to try out the technology. Another project on the way to commercialization is starting this year: The Swiss ...

[Solar & Storage Live Zurich 2026 , Zurich](#)
