

Wellington home solar panels

Overview

Solar panels use the power of the sun to generate electricity for your home. Panels can be placed on a roof or on the ground. Any extra electricity you generate during the day and don't use can be sold.

Why should you choose a solar installer in Wellington?

Switching to solar power is a smart choice for Wellington residents, and choosing the best solar installers in Wellington ensures a high-efficiency, reliable system. With Wellington's moderate sunshine—averaging around 2,000 hours annually—solar energy offers significant savings and environmental benefits, even in the city's variable climate.

Are solar panels safe in Wellington?

Yes, solar systems installed in Wellington are engineered to meet strict New Zealand building codes and are designed to withstand high wind zones. Local installers understand the unique requirements and reinforce panels with appropriate mounting systems for safety and longevity. Looking for Best Solar
